

Coastal Restoration Town Hall Meeting, Tuesday, June 17, 2008

You are invited to participate in the Plum Island Coastal Restoration Event with local elected representatives, community leaders and officials from the Army Corps of Engineers on Tuesday, June 17, 2008. The objective of this event is to assess the severe erosion issue along the shoreline of Plum Island located in the Town of Newbury and the City of Newburyport.

This will be the first time the Army Corps of Engineers "**Coastal Planning Center of Expertise**" group visits the Merrimack River area to view, analyze and discuss in a public forum coastal erosion and solutions.
